Dojo is how we will **reward positive behavior**, and **correct negative behaviors**.

I expect you to be connected to keep track of how your child is doing and talk to them about their day. Students can cash in their points for different classroom rewards. Class Dojo is also our **main source of communication** with each other! Please check our **Class Story** daily to stay up to date with our class.

They should be reading a book on their level. Spelling tests will be on Friday's so be sure to go over the spelling words as well. There will not be a reading log. Math homework is review from the day's lesson.

Please **practice multiplication facts** to become fluent, this is extremely important.

Homework should not take more than 30 minutes a night.

Spelling is worth 5% of the ELA grade.

DFA tests are worth 20% of the ELA grade

Writing/Grammar is worth 35% of the ELA grade

About Miss H

In third grade, students will be responsible for their very **own laptop**. They will need to sign a technology contract at the beginning of the year and follow the expectations all year long.

Expectations include not changing settings, staying on the assigned sites and applications, keeping the computer on their desk only, carrying it with 2 hands, and more.

Students will be able to access things through their **CLASSLINK** account (Google Classroom, Zearn, Khan Academy, Focus, Compass Learning, etc)

We have a [class website](#) & [Facebook Page](#), I would love for you to check it out often!

We have an ongoing classroom [Amazon wishlist](#) we would love for you to help with.
